You Should Consider Exhibiting to our Building Inspectors!

I would like to invite you to join us at this year's Municipal Building Inspectors Institute, which will be held at the **Lake Lawn Resort, in Delavan, WI**. Exhibits have grown to be a very important part of this program and we have found it to be an event that is greatly appreciated by our participants while being beneficial to our vendors.

- **Vendor set up is Wednesday, April 15 at 3:00—4:45 PM in the Great Room.**
- **The Products/Services Display & Reception is scheduled from 5:00-7:00 PM**
- **Take-down begins at 7:00 PM, immediately following the reception.**

You will be provided with a 6' foot skirted table and it is first-come, first-serve as far as location. If you require electrical access, you must indicate so on the application form.

Again this year we will have our "passport" system where attendees bring their "passport" to each of the vendors to be stamped. Attendees that receive stamps from all vendors will be entered into a drawing for a top raffle prize. ***If your organization wishes to provide that prize please contact me so we can promote that!**

You may register for a booth space online at the link below. Cost of a booth is \$150. Please note this event is limited to 15 vendors due to site space.
